You should read these terms and conditions carefully. You will be bound by them once you sign an application form and so you should make sure that you read them before that. You should retain a copy of them for future reference.

Copies of these terms and conditions are available at any time on request or from our website www.fidbank.co.uk.

1 GENERAL CONDITIONS

1.1 Your agreement with us is contained in:

- (a) these general banking terms and conditions;
- (b) any additional terms and conditions in respect of a particular product or service that may be agreed between us; and
- (c) in the application form or forms that you have signed.

1.2 This agreement applies to our key products and services provided to you as a personal customer in the UK and will cover our current accounts, call accounts, Notice Accounts and fixed term deposit products in a range of different currencies. Please ask us if you would like further details of any of our products or services.

1.3 The additional terms and conditions include our Standard Tariff, key features documents, notice periods, minimum or maximum balances and other terms which are specific to a particular account or service. We will provide you with additional terms and conditions or a key features document when you apply for a new product or service. We may also publish them on our website www.fidbank.co.uk.

1.4 If the additional terms and conditions are inconsistent with these general banking terms and conditions, the

additional terms and conditions will apply. Similarly, if there is a provision in these general banking terms and conditions that is specific to a particular product or service, that provision will take precedence over provisions of general application in relation to that product or service in the event of inconsistency.

1.5 We will tell you in any additional terms and conditions if these general banking terms and conditions do not apply to that product or service.

1.6 Different terms will apply to accounts or services for business purposes. You can ask us for a copy of our general business banking terms, if you would like to apply for an account for business purposes.

1.7 If we reasonably believe that a personal account is being used for business purposes, we reserve the right to treat the account as if it were a business account and apply transaction and other charges applicable to business customers in accordance with the Standard Tariff. Those charges will apply to your account until we reasonably believe that the account is no longer being used for business purposes. We may also request you to close the account and/or open a separate account in the name of your business.

1.8 We have tried to express these terms and conditions in language that is easy to understand, but there may be technical terms that you are not familiar with. Please let us know if you would like an explanation of the meaning of anything within these terms and conditions.

1.9 We have explained below the meaning of some words and phrases we use in these terms and conditions.

“Bank”, “we”, “us” means FidBank UK Limited and “our” means FidBank UK Limited’s.

“Business Days” means Monday to Friday excluding bank holidays in England and Wales. Our normal business hours in the UK are Monday to Friday, 9.00am to 4.00pm (London time). We reserve the right not to transact business with you outside our normal business hours.

“EEA” means the European Economic Area and includes all EU countries and also Iceland, Liechtenstein and Norway.

“SCA” – means Strong Customer Authentication and is a technique that combines two independent factors to confirm someone’s identity and access.

“Notice Account” means any notice account you hold with us.

“Payment Instrument” means a physical device, like a card or cheque; a set of procedures., including the Internet Banking Service, that involves, for example, the use of security information, such as 3 passwords or codes; or a physical device and a set of procedures.

“Standard Tariff” means our “standard tariff of charges”.

“Third Party Provider” means either a payment initiation service provider or an account information service provider, as described in Condition 5.

“Website” means www.fidbank.co.uk.

“You” means the account holder(s) and “you” and “your” includes all joint account holders and any person you authorise to give instructions on your account.

2 OPENING AN ACCOUNT

- 2.1 Certain restrictions apply to the opening of accounts. For example, you must be at least 18 years of age to open an account with us and we will require you to place a minimum deposit with us.
- 2.2 We reserve the right to decline your account application or not accept your money if you are unable to provide us with any of the information we ask for or for any other reason. We are not obliged to tell you why we have declined your application and may not enter into any correspondence in these circumstances.
- 2.3 We may issue you with personal identification information or other security information (for example details that allow you to access your accounts through the Internet Banking Service). You must not disclose your security information to anyone else and you must do all you reasonably can to keep it secure. For example, you should not choose obvious codes or passwords, write down the information in a way that is recognizable or let another person overhear or observe its use.

3 REFUNDS, OUR LIABILITY TO YOU AND YOUR LIABILITY TO US

- 3.1 If you ask us to make a payment to an account at another bank and that bank says that it did not receive the payment, we will refund the amount of the payment and return your account to the position it would have been in if the payment had not been made, except in the following cases:
 - (a) there was a mistake in any of the details contained in the instructions you gave us. If this is the case, we will make reasonable efforts to recover the funds. If we are unable to recover the funds, we will, if you ask us in writing, provide to you all the relevant information we have to enable you to claim repayment of the funds for a

charge in accordance with our Standard Tariff; or

- (b) we can show that the payment was received by the other person's bank. In this case, that bank is required to make the payment to that person.
- 3.2 If your instruction contained the correct details but the other person did not receive the payment as you made it, you may ask us to trace the payment and notify you of the outcome of our investigations. We will do so immediately, without charge to you, regardless of who is liable for the failure.
- 3.3 If there is a delay in a payment you have asked us to make, you may ask us to request the other person's bank to credit that other person's account as of the value date of the day on which the payment should have arrived. Similarly, if you receive a payment late, at the request of the other person's bank we will credit your account as of the value date that would have applied had the payment arrived on time.
- 3.4 If your payer's payment instruction is not properly executed and your payer's payment service provider can show that we received the payment, we will be liable to credit the amount of the payment to your account and to make that amount available to you immediately.
- 3.5 Where you have agreed that another person can take a payment out of your account (for example if you have given your debit card details to a third party in the EEA for the purpose of making a payment), you can ask us to refund a payment if all the conditions set out below are satisfied. We may ask you to provide information which is reasonably necessary to investigate whether or not you are entitled to the refund. In addition, you may also find

it helpful to contact the person who took the payment from you. We will refund you the payment within 10 Business Days of receiving your request, or of receiving any further information we have requested, or we will inform you of our reasons for refusing the refund. The conditions are:

- (a) the authentication you gave did not specify the exact amount to be paid;
 - (b) the amount that has been requested was more than you could reasonably have expected to pay, based on the circumstances, including your previous spending patterns; and
 - (c) you make the refund request within 8 weeks of the date when the payment was made from your account.
- 3.6 If you have instructed us to make payments requested by third parties under the UK direct debit scheme, we will provide refunds for any error made in accordance with the terms of the direct debit guarantee (set out on the direct debit form or direct debit confirmation).
- 3.7 If you have agreed that another person can take a payment out of your account, and the payment fails to reach the other person, we will immediately refund and return your account to the position it would have been in if the payment had not been made, provided that other person's bank can show that it is not liable for the failed payment.
- 3.8 Your rights under Conditions 3.1 to 3.7 to obtain a refund for incorrectly executed payments will only apply where your payer or payee's account, as applicable, is in the UK or EEA.
- 3.9 If you tell us without undue delay and at least no later than 13 months after a

- payment is taken from your account, that a payment from your account was not authorised by you, provided that we do not have reasonable grounds to suspect fraudulent behaviour on your part, then we will, as soon as practicable and in any event no later than the end of the Business Day following the day on which we became aware of the unauthorised payment, refund you the amount of the payment by returning your account to the position it would have been in if the unauthorised payment had not taken place.
- 3.10 You can notify us of the loss, theft or unauthorised use of your Payment Instruments or your account, by calling us free of charge at +44 (0) 20 7920 6100.
- 3.11 However, you will be liable for:
- (a) all payments made from your account where you have acted fraudulently; and
- (b) all payments on your account(s) that take place before you inform us that a Payment Instrument has been lost or any of your security information has become known to someone else, if the payment was made because you deliberately or very carelessly failed to keep your Payment Instrument safe or your secret information secret. After you have informed us, you will not have any further liability for unauthorised payments, unless Condition 3.11(a) applies, save that, unless you acted fraudulently (in which case you are always liable under Condition 3.11(a)), you are not liable for any losses resulting from an unauthorised payment:
- (a) if you could not notify us because we failed to provide you with the means to notify us of the loss or unauthorised use of a Payment Instrument;
- (b) if we fail to apply strong customer authentication (SCA), where this is required by regulation; or
- (c) which is made to buy something online or at a distance.
- 3.12 We will not be liable to you for any losses you suffer or costs you incur because:
- (a) we do not act on an instruction for any reason specified in this agreement;
- (b) the details contained in the instruction were not correct; or
- (c) we cannot carry out our responsibilities under this agreement as a result of anything that we cannot reasonably control. This may include, among other things, any machine, electronic device, hardware or software failing to work or being down for a period, industrial disputes and complete or partial closure of any payment system.
- 3.13 Unless Conditions 3.11 or 3.12 apply, or a different level of liability is imposed by law, we will be liable to you for any loss, injury or damage caused to you as a result of any failure or delay in carrying out your payment instruction (however caused), but we will not be liable to you in any circumstance for:
- (a) loss of business, loss of goodwill, loss of opportunity, loss of profit; or
- (b) any loss to you that we could not reasonably have anticipated when you gave us an instruction under this agreement.
- 3.14 Nothing in this agreement will exclude or limit any liability we have as a result of acting fraudulently or with extreme carelessness or any duty or liability we may have to you under applicable law or any liability that cannot lawfully be excluded.

3.15 If you break any of the terms, we shall be entitled to claim from you any losses or costs that we incur as a result of your breach. These include, but are not limited to, the costs of tracing you, notifying you of the breach, communicating with you about the breach and enforcing payment of any amount due to us. Our entitlement to claim such losses from you is in addition to our entitlement to recover from you any monies that you already owe us (such as any fees for our services that you have not paid).

3.16 You agree to protect us against loss if a claim is made against us, or a claim we make is defended, because of:

(a) (subject to Condition 3.1 above) something you have done (which you should not have done) or failed to do (which you were supposed to do) in connection with the products or services we provide to you; or

(b) you breaking this agreement.

This means that you are promising to pay us an amount which represents a reasonable assessment of our losses, liabilities, costs and payments (which would not have arisen otherwise) resulting directly from any claim or defence or from you breaking this agreement. This includes the reasonable costs incurred by us in investigating and managing the matter as well as our reasonable legal costs.

3.17 The protection which you give us above will not apply if we deliberately or negligently caused the loss, liability or damage or as far as the protection is not consistent with relevant laws or regulations.

3.18 If we receive notice of a court order or a court judgement against you, (or if you have a joint account, any other account holder), we may refuse to allow withdrawals or transfers from your account until the legal process comes to an end. Any court order or court judgement will not prevent us from

using any right of set-off we may have (using money which we hold for you, or which is due to you, to pay debts you owe us) or enforcing any other "security interest" (a right over something which we can take if debts are not paid). You are responsible for an amount which represents a reasonable assessment of any losses, costs or expenses we have as a direct result of any dispute or legal actions with yourself or someone else involving your account (including, without limitation, where we require legal advice because we are or may become concerned or involved in a dispute by reason of our relationship with you).

CLAIMS ON YOUR ACCOUNT

3.19 If another person makes a claim for any of the funds in your account (for example, if someone takes legal action to recover funds they believe belong to them), or if we know or believe that there is a dispute involving someone else who owns or controls funds in the account, we may:

(a) co-operate with that person's bank in its efforts to recover the funds;

(b) put a hold on your account and refuse to pay out any funds until we are satisfied that the dispute has ended;

(c) send the funds to the person who we have good reason to believe is legally entitled to them;

(d) continue to rely on the current records we hold about you;

(e) apply for a court order;

(f) provided we are unable to return the funds to the other person, share with that person's bank all the relevant information for the collection of funds, including information about you, your account and the payment; or

(g) take any other action we feel is necessary to protect us.

3.20 If we have acted reasonably, we will not be liable to you for taking any of the above steps.

4 JOINT ACCOUNTS

4.1 If you are opening an account with another person, we will ask for a specimen signature from all parties to the account.

4.2 Joint accounts are operated on the basis of the authority set out in a mandate which we will ask you to complete. Each of you can take or use everything in the joint account. All of you are together and individually responsible for any money owed to us on the joint account. We may demand payment from all of you, any of you, and any combination of joint account holders for any money owing on the account. In legal terms, this means that each joint account holder will have joint and several liabilities. This is generally true even if only one of you puts all the money into the joint account or if only one of you takes all the money out and spends it.

4.3 If any one of the joint account holders tells us of a dispute between them, or we become aware of a dispute, we may treat this as notice of cancellation of the mandate. If we do, any further transactions, including payments by standing order or direct debit, may need the authority of all the joint account holders. We may also ask for the return of any unused cheques. We may decide, under these circumstances, to freeze the joint account so that no new transactions can be made on it. In this case, we would then open up separate sole accounts for each of you. In the event of conflicting instructions from joint account holders, we reserve the right to refuse to carry out any transactions or further instructions until the

instructions are clarified and confirmed by both of you.

4.4 In the event of the death of any joint account holder, the survivor(s) will have authority to instruct us to pay to them any credit balance subject to any rights we or a third party may have.

5 AUTHORISING ANOTHER PERSON TO OPERATE YOUR ACCOUNT

5.1 You can authorise another person to operate your account. If you wish to do so, we will ask you and the third party to sign a third party mandate. On joint accounts, all of you must sign this mandate. If you authorise another person to operate your account, then you will be responsible for their actions and omissions as if they were your own.

5.2 You can also instruct a third party to operate your account by signing a power of attorney. You should take legal advice before doing so, particularly if you are resident outside the UK as the laws governing powers of attorney may differ from those in the UK.

5.3 We will require the third party to go through certain identification and verification procedures before we allow them to operate your account.

THIRD PARTY PROVIDERS

5.4 We are currently unable to grant Third Party Providers access to your payment accounts. Or process your instructions to payment initiation service providers to initiate payment transactions. Or allow account information service providers to deal with your payment account information.

5.5 If you ask Third Party Providers to access your payment accounts. Or instruct payment initiation service providers to initiate payment transactions for you. Or ask account information service providers to deal

- with your payment account information.
- 5.6 We reserve the right to deny a Third Party Provider access to your payment account(s) in accordance with the notice in condition 5.4 or for reasonably justified and duly evidenced reasons relating to unauthorised or fraudulent access to the payment account by that Third Party Provider, including the unauthorised or fraudulent initiation of a payment transaction.
- 5.7 If we deny a Third Party Provider access to your payment account in accordance with Condition 5.5 above, we will notify you in writing of our decision and of the reasons for our decision, unless that notification is unlawful or could compromise the security of your account.
- 6 OVERDRAFTS**
- 6.1 This agreement deals with borrowing through an overdraft. Additional terms and conditions apply to borrowings by other means such as a loan. The form of borrowing and any security required will be agreed between you and us.
- 6.2 Overdrafts are only permitted on current accounts and, subject to Condition 6.7, must be agreed with us in advance. Before we agree to an overdraft or increase your overdraft, we will assess whether we feel you will be able to repay it. We will ask you for information that you need to provide before we can consider any borrowing facility, such as your income and any statements relating to your financial affairs; how you have handled your finances in the past; any security that you have provided; and why you want to borrow the money and for how long.
- 6.3 You are personally responsible for any money you owe us, whether this arises from your own actions or from the actions of someone authorised by you.
- 6.4 You should always remain within any agreed overdraft facility unless you first obtain our agreement to increase it.
- 6.5 We may cancel any standing orders or direct debits from your account if your account becomes overdrawn. We may advise you of this decision and you must apply in writing if you wish the payments to be reinstated once you have funds in your account.
- 6.6 Charges may apply for agreeing any overdraft facility, increasing any existing overdraft facility or if you overdraw the account without prior agreement.
- 6.7 If you do not contact us in advance before becoming overdrawn, we have the option of either refusing to honour a commitment you have entered into or establishing an unarranged temporary overdraft which would be subject to our overdraft arrangement fee and interest as set out in our Standard Tariff.
- 6.8 When borrowing is agreed, the interest rate and all other fees and charges payable will be shown in a letter to you that sets out the terms and conditions of the facility.
- 6.9 When we have agreed to make an overdraft available to you and you do not use it, a non-utilisation fee may be due.
- 6.10 Unless we have agreed other terms with you in writing, overdrafts will always be repayable on demand. If we can do so without negatively impacting our interests, we will give you 30 days' notice before demanding repayment or reducing your limit.
- 6.11 We shall be entitled to assume that you have cancelled your overdraft if you pay sufficient sums into your account to cover it, subject to express agreement to the contrary between us (including an agreement as to the term of the overdraft when it was first taken out). If

you subsequently become overdrawn after the agreed term of the original overdraft, you will incur further charges as if a new overdraft were being arranged.

6.12 You will have to pay all costs and fees incurred or charged by us in connection with the negotiation, preparation, investigation, administration, supervision or enforcement of your borrowing. These will include expenses, fees (e.g. legal, security and valuation fees), stamp duty, taxes and other charges. These costs and fees will be debited to your account.

6.13 We reserve the right to decline a request from you to borrow.

7 FINANCIAL DIFFICULTIES

7.1 If you have difficulty in repaying us, please let us know as soon as possible. We will consider cases of financial hardship sympathetically and positively. You will usually spot problems first (e.g. if you fail to make an agreed repayment to us, if you regularly exceed your overdraft limit, or if we are continually returning unpaid cheques that you have written) and should let us know as soon as possible. The sooner you let us know about any financial problems that you have, the easier it will be for both of us to find a solution. If we become aware of problems, we may let you know in writing. We will do all we can to help you overcome your difficulties. With your cooperation, we will develop a plan with you for dealing with your financial difficulties and will tell you, in writing, what we have agreed.

7.2 If you have difficulties, you can also get help and advice from debt-counselling organisations. We will tell you where you can get free money advice. If you ask us to, we will work with debt-counselling organisations, such as Citizens Advice, Money Advice Centres or the Consumer

Credit Counselling Service. Their contact details are as follows:

8 SET-OFF

8.1 If any accounts you hold with us are in credit, we may use them to repay any amounts you owe us, including, but not

limited to, sums due on any other accounts you hold with us in the same name(s), even if the accounts are in different currencies.

- 8.2 Where any of you also has an account with us in your sole name, or jointly with someone else, and that account has a credit balance, we can set-off these monies against any money owing to us on the joint account even if the accounts are in different currencies.

9 BANK CHARGES

- 9.1 We will provide you with the current version of our Standard Tariff when you become a customer and it is also available at any time from the Website or on request from our staff.

- 9.2 We will levy charges for the operation of the account in accordance with our Standard Tariff. We reserve the right to levy any reasonable charges for additional services in relation to managing your account in addition to those stated in the Standard Tariff or for providing you with more frequent information regarding the operation of your account.

- 9.3 If your payer or payee's payment service provider in respect of a payment transaction is within the UK or EEA, we will ensure that you pay any charges we levy.

- 9.4 We may take any charges or interest you owe us from any account you hold with us.

- 9.5 We may vary these charges from time to time in accordance with Condition 24.

10 INTEREST

- 10.1 We will provide you with information on the interest rates applicable to your account when you become a customer and whenever you request it.

- 10.2 Current rates are applicable on the Website and at our office(s). You can also contact us by telephone for further information.

- 10.3 You will receive interest from us, if any is receivable, and pay interest to us at the rate applicable to your account and in accordance with the terms and conditions of the particular product that you have chosen.

- 10.4 From 6 April 2016, we no longer deduct tax from your savings interest. However, you may still be liable to UK tax if you are a UK resident and we recommend you speak to your accountant.

- 10.5 Interest on sterling accounts will be calculated on a daily basis on the cleared balance on your account, on the basis that there are 365 days in a year. Interest calculated on this basis will be payable in respect of each of the 365 days in a calendar year (366 days in a leap year).

- 10.6 In the case of most foreign currencies, whilst interest will still be calculated on a daily basis on the cleared balance on your account, by convention, it is both quoted and calculated on the basis that there are 360 days in a year. Interest calculated on this basis will be payable in respect of each of the 365 days in a calendar year (366 days in leap year).

- 10.7 Debit interest will be debited from your account on the last Business Day of each month relating to the previous calendar monthly charging period. Notification of these charges will be issued at least 14 days before the debit is passed to your account.

- 10.8 If you receive gross interest on any account, you must tell us immediately in writing if you are no longer eligible for gross interest.

11 TIMINGS OF PAYMENTS IN AND OUT OF YOUR ACCOUNT

- 11.1 We will generally only process payments in and out of your account (a) on a Business Day; and (b) if we receive the payment or your instructions before the “cut-off” time.
- The cut-off time is generally:
- GBP Payments:
- (a) 3pm (London time) for payments out of your account; and
 - (b) 4pm (London time) for payments into your account.
- USD Payments:
- (c) 1pm (London time) for payments out of your account; and
 - (d) 4pm (London time) for payments into your account.
- EUR Payments:
- (e) 10am (London time) for payments out of your account; and
 - (f) 4pm (London time) for payments into your account.
- We will tell you if a different cut-off time applies. If we receive a payment or instruction after a cut-off time or on a non-Business Day, we will treat that payment or instruction as being received on the next Business Day.
- 11.2 If you ask us to make a payment or act upon an instruction on a future date, we will make the payment or act upon the instruction on that date. If the future date falls on a non-Business Day, we will make the payment or act upon the instruction on the next Business Day.
- 11.3 If a payment is in euro, or if it is in sterling and the other person's bank is in the United Kingdom, we will ensure that the amount of the payment is credited to your payee's account by the end of the Business Day following the Business Day on which we receive your payment instruction.
- 11.4 Where a payment does not fall within Condition 11.4 but is to take place entirely within the UK or EEA, we will ensure that the amount of the payment is credited to your payee's bank account at the latest by the end of the fourth Business Day following the Business Day on which we receive your payment instruction.
- 11.5 Where a payment is made to an account outside the UK or EEA, the time it takes for the payment to be credited to the bank account of the person you are paying to will vary depending on the currency or country you are sending the payment to (or both). You can ask us to tell you when we expect your payee's payment service provider to receive the payment.

12 PAYMENTS INTO YOUR ACCOUNT

GENERAL CONDITIONS

- 12.1 We may request information and documentary evidence regarding the source of any deposit made into the account, to meet our obligations under money laundering, fraud, terrorist activity or other regulations (in which case we may not be able to tell you the real reason for the delay) in processing payments into your account. Further checks may be necessary, which may involve contacting you to seek further clarification including those relating to the nature and purpose(s) of the payment. You are advised to provide us with documentary evidence of any deposit which has not been pre-advised to us as being in accordance with the usual activity on your account.

- 12.2 If you maintain more than one account with us and you deposit funds without indicating to which account they should be credited, we will credit them to whichever of your accounts we think appropriate.
- CHEQUE PAYMENTS INTO YOUR ACCOUNT**
- 12.3 Unless we tell you otherwise, cheques can only be paid into a current account. You can do this at our London office during Business Hours or by sending it to us by post. We will only start to process transfers to other accounts when any cheque paid in has cleared.
- 12.4 Cheques paid in after 3pm (London time) will not be processed until the following Business Day, when the timings set out below will commence.
- 12.5 When you pay a sterling cheque, drawn on a UK bank, into your account, a period of at least 4 Business Days after the day it has been paid in should be allowed before the proceeds can be withdrawn. After these 4 Business Days, it is still possible that the bank on which a cheque is drawn may later return that cheque unpaid. If the cheque is later returned unpaid, we will deduct the amount from your account, whether or not it goes overdrawn and even if we allowed you to make a payment or to take cash against that item. You will incur charges and interest on any overdrawn amount in accordance with our Standard Tariff. Because of this, we may ask you to wait until we are sure that a cheque has been paid before you are able to draw against it. We would not normally allow you to draw against a cheque until it has been paid unless we have agreed a facility with you to that effect.
- 12.6 We may ask for further details before we agree to accept a cheque. In all cases, we will have recourse to you if someone else later claims that the proceeds of the cheque were theirs. If a cheque or other item is marked "Not Transferable" or "Account Payee", we can only accept it for the person to whom it is payable.
- 12.7 We also reserve the right to debit your account with any charges incurred in connection with the collection of the cheque, including charges and costs deducted by agents and the drawee bank if the cheque is unpaid.
- 12.8 In all cases, we will advise you of any cheques that have been returned unpaid. Debiting the amount of an unpaid cheque to your account may also result in your account becoming overdrawn or an increase in your existing overdraft and you could pay interest and fees for an unarranged temporary overdraft. Depending on the reason given for the cheque being returned unpaid, we will either ask for payment again from the bank of the person who issued it, or return it to you.
- 12.9 You can be sure that at the end of 6 Business Days after the UK cheque has been paid in, the money represented by the cheque will be yours. You are protected from any loss if the cheque is subsequently returned unpaid, unless you are knowingly a party to a fraud.
- FOREIGN CHEQUES**
- 12.10 Clearance of cheques payable in foreign currency and abroad will take longer and the above timescale will not apply.
- 12.11 If we agree to negotiate a foreign cheque, we will add the full amount or the converted amount to your account immediately. However, if the cheque is returned unpaid, we will have "recourse" against you (as well as anyone who has signed or endorsed it) and we will be entitled to deduct from your account either the amount that we originally added to your account or the amount reconverted at the exchange

rate applicable on the date we make the deduction. This means that if the exchange rate has changed, the amount we deduct could be greater than the amount we originally added.

- 12.12 If we agree to send a foreign cheque for collection, we will add the amount to your account only when we have received the money from the bank on which it is drawn. The collection proceeds that you receive will be net of the drawee bank's charges and the amount of the proceeds will be shown on your next bank statement. The collection and negotiation of cheques shall be subject to the International Chamber of Commerce Uniform Rules for Collection that apply at the time.

PAYMENTS INTO YOUR ACCOUNT OTHER THAN CHEQUES

- 12.13 Payments into your account may be made electronically, either domestically or from overseas. We will credit these payments and other payments (such as funds sent from overseas and received electronically) to your account as soon as we receive them (subject to the restrictions outlined in Condition 11) and the funds will be immediately available to you. We will also pay interest from that day (where applicable).

13 PAYMENTS FROM YOUR ACCOUNT

GENERAL CONDITIONS

- 13.1 We will accept instructions from you in the following circumstances:
- (a) upon receipt of written instructions from you which bear an original signature (this includes instructions received by fax or email attachment where we hold a telephone, fax and email attachment indemnity signed by

you);

- (b) in person, provided you have satisfied our identification and verification procedures;
- (c) by telephone, as long as you have followed our security procedures. We will ask you to confirm telephone instructions in writing; or

- 13.2 You may make transfers between any of your accounts with us by giving us your instruction at our premises or in writing. Service. Condition 11 will apply to these instructions.

- 13.3 As long as we have followed your instructions correctly, we can deduct the amount of any payment from your account. We may rely on any information quoted in an instruction as being correct.

- 13.4 We may apply financial and other limits to instructions received by telephone or through email from time to time.

- 13.5 We do, however, reserve the right to take any additional security procedures that we believe are appropriate.

- 13.6 We can refuse to act upon any instruction if:

- (a) we have a good reason for thinking that you did not give us the instruction;
- (b) the instruction is not clear or is incomplete;
- (c) we believe that by carrying out the instruction, we might break a law, regulation, code or other duty which applies to us;
- (d) we reasonably believe that carrying out the instruction may damage our reputation; or
- (e) we receive your instruction for a funds transfer after the appropriate

cut-off time, in which case the instruction will be processed the following Business Day.

Where possible, we will inform you prior to any such refusal to act upon one of your instructions. Otherwise, we will tell you at the earliest opportunity but, in any event, within 3 Business Days from receiving your instruction if we refuse to make a payment and we may charge you a fee for this notification as set out in our Standard Tariff.

13.7 We can also refuse to make any payment if you do not have enough money in the account at the close of Business Day before the payment is due to be made. In deciding whether you have enough money, we take account of any overdraft limit, any cheques we are treating as cleared and any instructions to make payments and regular payments which have not yet been paid from your account. We will tell you if you can make payments from your account against cheques which are not cleared. We are not obliged to take into consideration funds held on other accounts in your name. We do not have to take account of regular credits or any amounts received after we have decided not to make the payment.

13.8 We may, however, without reference to you, transfer funds from any other account held in your name(s) or any other account in which you are named as a party in order to effect a payment, although we are not obliged to do so. This may involve a foreign exchange transaction for which we will not be responsible for any loss incurred by you as a result of exchange rate movements.

13.9 Any such foreign exchange transaction will be effected at our applicable exchange rate on that day and we will deduct any appropriate charges. Details of the exchange rate

and the charges which will apply to the transaction will be provided to you.

13.10 If you have a sole account, we will ask you to provide us with a written instruction which will cover all such transfers. If you have a joint account, the instruction will be incorporated within the joint account mandate which we will ask you to complete. All instructions must be signed in accordance with your current signature mandate.

13.11 You may instruct us to stop the payment of a cheque (there may be a charge for this service which is quoted in our Standard Tariff), standing order, direct debit or other item other than a cash transaction, as long as:

- (a) the item has not yet been deducted from your account; and
- (b) we have not issued an electronic payment instruction or told the beneficiary or their bank that we will pay the item.

13.12 Any advice to stop a cheque or cancel a payment must be accompanied by the following details:

- (a) Cheque: cheque number, account number, amount, name of payee and date;
- (b) Standing Order: name of beneficiary, amount, frequency where appropriate and date;
- (c) Direct Debit: name of originator, amount, frequency where appropriate and date; and
- (d) Payments: name of beneficiary, amount and date of original payment.

13.13 Payment instructions given to us in advance, including Standing Order and Direct Debit payment instructions, can only be cancelled or amended up to the end of Business Day before the date

the payment is due to be made. Please ensure therefore that we receive sufficient notice of the cancellation or amendment. Direct debits can be cancelled by either telling the person/organisation that

collects the Direct Debit from the account or by telling us. We recommend that you advise both. We may charge you for this cancellation.

13.14 We may also need to delay carrying out instructions to meet our obligations under regulations to tackle money laundering, fraud, terrorist activity or other regulations (in which case we may not be able to tell you the real reason for the delay). Further checks may be necessary, including those relating to the nature and purpose(s) of the payment from your account and which may involve contacting you, if you request us to make a transfer to a country which we consider to be high risk.

13.15 We will not be responsible to you or any other party for loss, including, without limitation, consequential loss, resulting from any delay as long as we have acted reasonably and you agree to hold us harmless against all losses, costs, obligations and responsibilities we incur as a result of acting for you or in respect of any failure by another paying bank to act on our instructions.

13.16 Note that information and documentary evidence regarding the nature of any transaction on the account may be requested. The full name and address of any beneficiary on an electronic payment must be provided as well as full details of the beneficiary's bank account (the name of the bank and the Bank Identification Code (BIC) and the beneficiary's International Bank Account Number (IBAN)). You must also state the reason for the transfer. We will also quote your own name, address and account number on the payment which is a statutory requirement. Where the required information

provided by you is incorrect, we will make reasonable efforts to recover the funds and may charge you for the reasonable cost of recovery. In the event that a petition for a bankruptcy order is presented against you, you agree that we may refuse to act on any instructions whenever given by you or any other party to make any payment(s) out of any of your account(s) or to carry out any dispositions or transfers of any of your property or assets of any kind unless you have previously obtained an appropriate validation order from the court and setup a separate account or accounts in your name to which any of your future receipts may be credited.

13.17 Your account and the transactions passing through it may be affected by a court order, such as a bankruptcy order, freezing order or injunction order. If so, the balance may change and transactions may not be processed or may be reversed.

CHEQUE PAYMENTS FROM YOUR ACCOUNT

13.18 When you issue a cheque on your account, the amount will normally be deducted from your account 2 Business Days after the recipient pays it into their UK account (e.g. if it is paid into the recipient's account with a bank located in the UK on Monday, your FBUK account will normally be debited 2 days later, on Wednesday). Note however that if the payee requests for the cheque to be "specially presented", the cheque may be debited sooner.

13.19 When writing a cheque, you must take all reasonable precautions to prevent anyone else from altering it or making a forgery. For example, if you are paying a cheque to a large organisation such as HM Revenue & Customs, do not make the cheque payable simply to that organisation. Add further details into the payee line (for example, HM

- Revenue & Customs re: J Jones, your reference xxxxx). You should draw a line through any space you don't use on the cheque so unauthorised people cannot add extra number or names.
- 13.20 If you are making a cheque payable to a bank or a building society, do not make the cheque payable simply to that organisation. Add further details in the payee line (for example, XYZ Bank, re: J Jones, account no xxxxxx). You should draw a line through any space you don't use on the cheque so unauthorised people cannot add extra numbers or names. Your cheque is likely to be returned to you if you make it payable simply to a bank or building society. The more details about the true payee and the fewer the empty spaces on the cheque, the less likely it is that it can be tampered with and used fraudulently.
- 13.21 You should not write a future date on any cheque that you issue as it may prevent the payee from paying it into their bank account before the date. Cheques that are issued in this way and received by us for payment will be returned unpaid without reference to you. However, we will not be liable for any loss to you as a result of us paying a cheque before the date you have put on it. Cheques normally become out of date after 6 months and therefore you should request the payee to pay them in so that they clear in time. We may pay a cheque drawn by you even if it is not presented to us for payment within 6 months of the date on the cheque. We reserve the right to return unpaid any such cheque but you must give us instructions to stop payment of the original cheque if you issue a duplicate.
- 13.22 We are not obliged to advise you if any of the cheques that you have issued are returned unpaid but may decide to do so. Any advice will be sent to you either by letter or in another private and confidential manner.
- 13.23 Cheque books are issued upon request. The care of your cheque book is essential to help prevent fraud and protect your accounts. You agree to keep the book safe at all times and to allow no unauthorised use of the book. You must not issue a cheque if you do not have sufficient funds on your account to cover the amount of the cheque.
- 13.24 You must always take proper care of your cheque book. There is important information about the security of your cheque book and writing cheques inside the front cover of your cheque book. Please read these notes.
- 13.25 Cheque books remain our property at all times. They must be returned on account closure or if we ask for their return because we have a reason for doing so (e.g. if you are in breach of this or any contract between us).
- 13.26 If you lose your cheque book, it is essential that you tell us as soon as you can. The best way to advise us about the loss is by phone, email attachment (by email to customerservices@fidbank.uk) or letter.
- 13.27 We will keep original cheques issued by you and paid from your account for at least 6 years unless we have already returned these to you. At your request, we will return original cheques to you but only against your signed indemnity.
- 13.28 If you want to stop the payment of a cheque or other item such as a banker's draft, you should tell us.
- 14 MASTERCARD DEBIT CARD**
- Availability
- 14.1 Upon opening an account with us, we will issue you with a debit card at your request, subject always to our discretion.
- 14.2 If the account is in joint names, you may request that each of you have your own card.

- 14.3 For the purposes of these Debit Card Terms & Conditions: (a) "PIN" means a personal identification number; and (b) your debit card is a "Payment Instrument" as defined in the General Banking Terms and Conditions for Personal Accounts.
- 14.4 If we issue you with a debit card, you can collect it from our offices or we can arrange for a DHL courier to be sent. You retrieve your PIN through our App FBUK CardAssist which is downloadable from the Apple App Store or Play Store for android devices.
- 14.5 You must do the following with any card that is issued to you: (a) immediately sign the signature strip on the reverse of the card; (b) keep the card secure at all times and do not allow any other person to use it; (c) upon retrieving your PIN, memorise the PIN; and (d) never write down the PIN in any way which could be understood by someone else.
- 14.6 If you have forgotten your PIN you can retrieve it by using the 'FBUK CardAssist' Application available to download from The Apple App Store or The Play Store for Android phones.
- 14.7 The card remains the property of FidBank Limited at all times and if we ask, you must cut the card and return it to us (cut once through the magnetic strip and once through the chip). We, or anyone acting for us, may keep the card at any time. For example we may withdraw a card and instruct any third party to keep hold of it if you try to use it in breach of these Terms.
- Using cards
- 14.8 The card may be used along with the PIN to obtain cash, up to the daily limit for the card subject to there being sufficient cleared funds in your account, from any LINK® cash machines in the UK and cash machines displaying the MasterCard® logo around the World.
- 14.9 We will advise you of the daily cash withdrawal limit on your card when we issue the card to you. These may be adjusted from time to time in accordance with conditions 8.1 of these Debit Card Terms & Conditions.
- 14.10 Cash withdrawal from ATM machines may be subject to fees charged by the ATM provider. You are responsible for paying these charges. We are not responsible if you can't use your card in another provider's machine. If we have advised you that an ATM is out of order, you must not use your card in it
- 14.11 When there is a transaction in a foreign currency on your account, MasterCard will convert it into the currency of your account. This may be subject to foreign exchange conversion/transaction charges. MasterCard's rates of exchange can be found at <https://www.mastercard.co.uk/content/mccom/en-gb/consumers/get-support/convert-currency.html/> .
- 14.12 2.5 We may apply charges if you use your card in certain ways. Details of any such charges will be set out in our Standard Tariff.
- Security
- 14.13 **IMPORTANT NOTICE** - Loss or misuse of your FidBank UK Limited Debit Card. If the card is lost or stolen, or you suspect that someone knows the PIN or the card has been compromised, you must block your card using the FBUK CardAssist mobile App as soon as possible and phone us immediately on +44 (0)20 920 6394 or visit us in person. If you suspect that your PIN has been compromised in any way you must immediately change your PIN at any ATM bearing the MasterCard® logo.
- 14.14 If you notify us of the loss, theft or

possible misuse of your card, we will cancel the card. If the card is then found you must not use it and you must return it to us immediately (cut once through the magnetic strip and once through the chip).

- 14.15 You must not use the card before or after the period it is valid for or after you receive notice that we have cancelled or withdrawn the card.

Authorisation

- 14.16 A retailer or supplier of services may ask us for authorisation before accepting payment by your card. In addition to the reasons set out in the General banking Terms and Conditions for Personal Accounts, we may decide not to authorise the payment if: (a) your card has been reported as lost or stolen, or we have reason to suspect your card has been lost or stolen; (b) you have breached these Debit Card Terms & Conditions; or (c) taking account of all other transactions on your account that we have authorised, including those not yet debited from your account, there are insufficient funds available in your account to make the payment.

Liability for cards

- 14.17 You are responsible for all transactions carried out using any card issued for use on your account and must meet any liability and make payments in respect of such transactions.
- 14.18 If you are joint account holders, each with your own card, each of you is fully responsible for all transactions carried out using any card issued for use on the account and must meet any liability and make payments in respect of such transactions.
- 14.19 We will not be liable if any party (or its cash machine or other machine) refuses to accept the card your card or card number for any transaction you wish to carry out.

- 14.20 We will not be responsible if you cannot use your card in a machine operated by another financial institution or third party, or for any charges you may incur in using a third party's machine. In case of any fault with a cash machine you should not use your card, but if you do we will not be responsible for any losses you may incur in doing so.

Giving out information about cards

- 14.21 You authorise us to give any appropriate third party any relevant information in connection with the loss, theft or possible misuse of the card or PIN or in order for us to meet our obligations as a member of MasterCard® scheme.

- 14.22 Recurring Transaction on your card If you set up a recurring transaction (other than a Direct Debit or standing order) which enables a third party to collect payments from your card, this will not be covered by the Direct Debit Scheme. To cancel any recurring transaction it is recommended that you contact the company you have the contract with advising them you wish to cancel. If you require the bank to cancel the recurring transaction you will need to contact the customer services team at the Bank. In the unlikely event that we should need to cancel your card to stop a recurring transaction on your card and order you a replacement card this will incur a fee which is detailed in our Standard Tariff.

- 14.23 Limits on the use of your card 8.1 If we consider it appropriate we may suspend, withdraw or restrict the use of a card and PIN where: (a) we have reasonable grounds to suspect the card or PIN have not been kept safe; (b) we have reasonable grounds to suspect unauthorised or fraudulent use of the card or PIN; or (c) as a result of a change in the way you operate your account or in your financial circumstances, we have reasonable grounds to believe that you may have

difficulty in meeting your commitments. Unless there is a legal reason or other circumstances beyond our control preventing us from doing so, we will notify you personally before taking this action and provide our reasons for doing so. If we are unable to contact you beforehand we will notify you and give our reasons afterwards. 8.2 If your account is closed, you will no longer be entitled to use your card. 8.3 You will not be entitled to use your card if you receive an instruction from us not to carry out any further transactions (including withdrawals) on your account. 8.4 You may end your use of the card at any time by giving us notice in writing and returning the card to us (cut once through the magnetic strip and once through the chip).

- 14.24 If your use of the card is ended by you or by us, you remain responsible for all transactions carried out with the card before we or you stopped your use of the card.

Purchases at Retailers

- 14.25 You can use your card to make payments to retailers that display the MasterCard® sign all around the World. If your card displays the symbol you can use it to make contactless payments up to the limit we set. Contactless payments can be made at retailers who accept these types of payments – you'll normally see the above symbol on their payment terminal.
- 14.26 You must comply with the security procedures we or MasterCard® tell you about from time to time.
- 14.27 Foreign currency debit card payments You may be offered a choice of payment currencies when making purchases or withdrawals. If you do this, the payment will be charged to your account in your chosen currency (and we will only receive details of the

amount in that currency). The exchange rates in this case are set by merchants and ATM operators and not by us. Please note that if your chosen currency is different from the currency of your Account, we will convert this amount. Details of the exchange rates we use can be found at <https://www.mastercard.co.uk/content/mccom/en-gb/consumers/get-support/convert-currency.html/>.

- 14.28 Cancelling a debit card payment or withdrawal
- 14.29 You can't cancel a cash withdrawal after you've pressed the button on the keypad agreeing to it, or a card payment once you've authorised it.

PAYMENTS FROM YOUR ACCOUNT OTHER THAN CARD TRANSACTIONS CHEQUES

- 14.30 Domestic and international payments will be processed using the appropriate payments system. Where you give an instruction to us to make an automated payment, the money will normally be taken from your account on the same day (subject to the restrictions outlined in Condition 11). The beneficiary would normally receive funds within 3 Business Days but this may be sooner depending on the banking practice of the country concerned and the payment system involved.
- 14.31 International payments are sent through another paying bank, either chosen by us or by a bank in the country the payment is being sent to and/or the country whose national currency is being sent.
- 14.32 If we have to make an international payment through another bank, we may give you an indication of the date on which the payment should be received by the bank, details of any commissions or charges and the exchange rate applicable.

14.33 Automated payments such as standing orders and Direct Debits are debited from your account at the beginning of the Business Day on which they are due. Deposits paid into your account on the day an automated payment is expected to be made may not necessarily be available to meet that withdrawal.

14.34 If you wish to setp a standing order to pay money from your current account you must provide us with the following information:

- (a) the name of the beneficiary;
- (b) the name of the beneficiary's bank, sort code or swift code, and account number;
- (c) the frequency of the payments;
- (d) the date of the first payment;
- (e) the date of the final payment; and
- (f) purpose of payment.

15 STATEMENTS

15.1 We will make statements available to you at least once a month. Unless you tell us otherwise, we will also provide you with a statement on paper or any other durable medium each month. Where you have instructed us to hold your statements and advices, we will always provide a statement to you annually This will be sent to the last known recorded address that we hold and will contain details of all transactions through the account since the previous statement issued to you. There will be a charge for holding your statements and advices in accordance with our Standard Tariff.

15.2 There may be a charge if you ask us to make statements available more frequently than monthly.

15.3 Even if the account has not been used for some time, we will continue to

send out statements unless previous statements have been returned. Please check carefully all transactions on the statement(s) and advise us as soon as possible of any discrepancies without undue delay but in any event, not later than 13 months after the date of any discrepant transaction. If we need to investigate a transaction on your account, you should cooperate with us and the police, if we need to involve them. We may disclose information about you or your account to the police or other third parties if we think it will help us prevent or recover losses.

15.4 Your statement balance will show credits when we receive them even if they include cheques and other items which are not "cleared" and we may refuse to allow you to draw against these items.

15.5 If you do not receive a statement on your account that you would normally expect to receive, please let us know as soon as you can.

15.6 If you have a joint account, we will send a statement to both of you unless you ask us to send statements to each of you at different addresses.

16 CLOSING YOUR ACCOUNT

16.1 This agreement will continue until you or we cancel or end it.

16.2 We may at our discretion, and without giving a reason, close your account and end this agreement. We will give you not less than 60 days' written notice to close an account unless we consider there are exceptional circumstances as set out in Condition 15.3

16.3 We may take action to close your account and to end this agreement immediately in exceptional circumstances such as (and without

- limitation) if we reasonably believe that:
- (a) you are not eligible for an account;
 - (b) you have given us any false information at any time;
 - (c) you, or someone else, are using the account illegally or for criminal activity;
 - (d) it is inappropriate for a person authorised to give instructions on your account to operate it;
 - (e) your behaviour means that it is inappropriate for us to maintain your account;
 - (f) you have not met our reasonable conditions and requests relating to identification and the provision of information about yourself and the activity (past, present or future) on any account or proposed account;
 - (g) by maintaining your account, we might break a law, regulation, code or other duty which applies to us;
 - (h) by maintaining your account, we may damage our reputation; or
 - (i) you are or have been in serious or persistent breach of these terms and conditions or any additional conditions which apply to an account.
- 16.4 As noted in Condition 15.2 above we will normally give you not less than 60 days' written notice to close the account and to end this agreement unless there are exceptional circumstances (including those set out in Condition 15.3 above) that justify closure immediately or on shorter notice. Unless we receive written instructions from you to the contrary, we will remit the balance of the account (less any interest and charges that may be due to us) to the last recorded address held with us.
- 16.5 We may choose not to close your account and to end this agreement until you have returned any unused cheques. You must repay any money you owe us, including the amount of any cheques, other payment instructions you have made and any service charges due, which have not been taken out of your account. These conditions will continue to apply until the account is closed.
- 16.6 When your account is closed, it is your responsibility to cancel any direct payments to or from your account. Where someone attempts to make a payment into an account which has been closed, we will take reasonable steps to return the payment to the sender.
- 16.7 If you owe us money on any account when or after we close it, and you hold another account with us that has money in it, we may use the money from that account to pay us all or part of the amount you owe us on the account that we have closed. If we do this, we will tell you about it.
- 16.8 All parties to a joint account must request the closure of the account before we act on any instruction for the disposal of the funds in the account.
- 16.9 If you no longer require the account and wish to end this agreement, please tell us in writing to our London office address provided towards the end of these terms and conditions and return any unused cheques to us.
- 16.10 If you wish to move your account to another financial institution, we will give them information on any standing orders and direct debits within 3 Business Days of receiving their request to do so. We will also close or move your account, free of charge (except for any interest that may be payable by you), when you ask us to do so.

- 16.11 If you are not happy about your choice of account, you may cancel it within 14 days from the date you entered into the contract or the day on which you first receive a copy of these terms and conditions, whichever is later. We will help you switch to another account or give you all your money back with any interest it has earned. We will ignore any notice period and any extra charges. This cancellation right does not apply to a fixed rate account and any interest due to any overdraft will be payable by you. If you wish to exercise this option, then please write to us at our London office address provided towards the end of these terms and conditions. Should you not wish to exercise this option, you will be bound by these terms and conditions after the expiration of the aforesaid 14 days. To exercise your option to cancel, you must dispatch written notification to us at our London address before the cancellation period expires. We will return any funds due to you less any amount owed to us within 30 days from the day on which we receive your notification of cancellation.
- 16.12 If no funds are due to be returned to you but you owe us money, you agree to pay us any sums due within 30 days from the day on which we receive your notification of cancellation.
- 16.13 Before any funds are returned to you, any identification requirements as described in our document "Identification Requirement for Opening of a Personal or Joint Account with FidBank UK Limited" may still need to be satisfied. Any funds returned must be remitted either to the account from which they were sent or to an account held in your name(s). No other third party remittances will be permitted.
- 16.14 We will not close your account, or threaten to do so, merely as a result of a complaint received from you.

17 INACTIVE AND LEGALLY DORMANT ACCOUNTS

- 17.1 We consider that an account is inactive if no activity (other than interest and charges) has taken place on it for a continuous period of 24 months.
- 17.2 We consider that an account is legally dormant if no activity (other than interest and charges) has taken place on it for a continuous period of 15 years.
- 17.3 When an account becomes inactive, we may write to you to ascertain if the account is still required and to obtain written confirmation from you of your mailing address. If we receive no response from you, for security reasons, we may close the account and hold the funds in a suspense account pending instructions from you.
- 17.4 Even if we close the account, the funds will always be your property, or if you do die, the funds will form part of your estate. This is the case no matter how many years pass. If you wish, you can apply to re-open the account. We will request identification procedures and appropriate paperwork to be completed. Such an application will be considered at our own discretion.

22 ADDITIONAL TERMS AND CONDITIONS FOR FIXED TERM DEPOSITS

- 22.1 In order to open any of the fixed term products that we offer, you will need to make a minimum deposit, which will be advised to you at the time that you wish to make the deposit.
- 22.2 Generally, our fixed term products are subject to maximum deposit amounts. Deposit in excess of the maximum threshold can be negotiated and are

subject to our discretion.

22.3 You will not be able to add further funds to your initial deposit once the term and interest rate have been fixed.

22.4 However, further deposits can be used to open additional fixed term deposits. The rate applicable to the new deposit will be that available on the day that the new deposit is made.

22.5 From 6 April 2016, we no longer deduct tax from your savings interest.

22.6 If we agree to send a foreign cheque for collection, we will set up your fixed term deposit only when we have received the money from the bank on which it is drawn. The interest rate applicable to the fixed term deposit will be that available at the time the fixed term deposit is opened and the proceeds of the collection have been received by us.

22.7 Interest will be paid on the maturity date of your deposit if your deposit is for a period of one year or less. If your deposit is for a period of greater than one year, interest will be paid annually on the anniversary of your deposit.

You can:

(a) give us renewal instruction when you make your initial deposit;

(b) contact us by phone or in writing with your instructions, no later than 3pm (London time) on the Business Day before your deposit is due to mature; or

(c) set up an automatic rollover so that, until you tell us otherwise, we will renew your deposit for the same term at the interest rate that applies each time it matures.

22.9 If you have not given us any instruction as above, we will, at our

discretion, pay your original deposit together with the interest you have earned into your current account. If you do not hold a current account, we may pay into a call account we will open for you .

22.10 It is your responsibility to advise us in good time of your disposal instructions upon maturity of the deposit.

22.11 You should not make fixed deposits if you need some or all of your money before the end of the fixed term as it should be your intention to leave the capital on deposit until maturity. We do not allow you to withdraw part or all of the money during the term of the deposit.

22.12 No cheque book or statement will be issued on your fixed term deposit but you can contact us at any time if you would like details of your deposit. We will provide you with a confirmation of the deposit amount, interest rate, value date and maturity date when you place the deposit. There is no cancellation period for fixed term deposit.

22.13 We will only make changes to the terms and conditions applying to a fixed term deposit if it is necessary or appropriate to do so to meet legal, financial or regulatory requirements or to set out our duties and responsibilities under them. We will give you at least 30 days' advance personal notice of a change of this kind, unless we are required to make the change sooner due to those legal or regulatory requirements.

25 CHANGES TO TERMS AND CONDITIONS

25.1 We may, at our discretion, change these terms and conditions (including our charges and interest rates) and introduce changes to charges for our services at any time. How much notice we will give depend on the kind of change we are making.

25.2 If we make several changes at one time, or make several changes in one year, we will send you a summary of the changes and will tell you where you can find a copy of the full terms and conditions.

25.3 Some of these conditions are based on expected regulatory requirement that have not been published or finalised yet. If any of these conditions turn out to be inconsistent with a regulatory requirement, we will treat that condition as if it were consistent. We will make any changes to the conditions to reflect the requirement when they are next reprinted.

CHANGES TO INTEREST RATES AND CHARGES

25.4 The interest rate applicable to our accounts may be 'fixed', 'managed', or 'tracker'. A managed rate is a rate set by us and a tracker rate is one which is linked directly to a reference interest rate, such as the Bank of England base rate, the US federal funds rate or the London Interbank Offer Rate (LIBOR). - applicable.

- (a) a change to the Bank of England base rate or other relevant base rate;
 - (b) changes in the cost of providing the account and related service to you;
 - (c) changes in the law or regulations affecting us; or
 - (d) a decision or requirement made by a court, ombudsman, regulator, or similar organisation.
- 25.8 Where we make a change to comply with a change in law or regulation, the change will be a fair proportion of the cost of compliance on our banking business. Other changes will respond proportionately to changes in our costs.
- 25.9 We may also make a change to a managed rate or a change or introduce a new charge for any other valid reason not specified in this Condition.
- 25.10 We will give you 2 months' advance personal notice for a change of this kind to all accounts denominated in sterling or an EEA currency, other than in relation to an overdraft, and 30 days' advance personal notice for a change to a managed rate on

accounts denominated in any currency other than Sterling or non EEA currency (including US Dollar) or on an overdraft.

- 25.11 We can change a managed rate automatically and without notice if the change is to your advantage or because we are required to do so because of legal or regulatory requirements.
- 25.12 Where a change to a managed rate happens without advance notice, we will tell you about the change personally within 30 days or by publishing it on the Website or in our office(s).

CHANGES TO EXCHANGE RATES

- 25.13 The exchange rates that we apply to international payments will be linked to a 'reference exchange rate' (an exchange rate that comes from a publicly available source or one of our 'standard exchange rates').
- 25.14 We can change our standard exchange rates at any time. Reference exchange rates that we do not set changes automatically. You can find out about changes to reference exchange rates in our London office or by calling us.

- (a) the change is to the additional conditions applying to an overdraft in which case, we will give 30 days' notice; or
 - (b) there is a legal or regulatory requirement which means we must make a change more quickly.

25.16 At any time during the notification period, you may switch or close your account with us without having to pay any extra charges or interest for doing this. However, should we not hear from you within the notification period, you will be deemed to have accepted the changes.

25.17 Generally, we will only make a change to terms and conditions (other than in relation to interest rates and exchange rates which are dealt with above) when it is necessary or appropriate to do so to:

- (a) meet legal, financial or regulatory requirements or to set out our duties and responsibilities under them;
- (b) reflect a change in the overall cost of providing our products or services to our customers;
- (c) reflect a change in technology or to cover a change in our products or services, or in the facilities we provide;
