We will employ our reasonable endeavours to do so and reserve the right to charge you in accordance with our Standard Tariff.

GENERAL BANKING T&Cs FOR BUSINESS ACCOUNTS

- 3.3. If there is a delay in a payment you have asked us to make, you may ask us to request the other person's bank to credit that other person's account as of the value date of the day on which the payment should have arrived. If you receive a payment late through no fault of our own, at the request of the other person's bank we may at our discretion, credit your account as of the value date that would have applied had the payment arrived on time. In the event that you receive a payment late and we are at fault, we will at the request of the other person's bank, credit your account as of the value date that would have applied had the payment arrived on time. Liability provisions contained in regulations 75, 77, 91 and 92 of the Payment Service Regulations 2017 dealing with unauthorised, incorrect or delayed payments shall not apply to this agreement.
- 3.4. We will agree with the steps which should be taken to recover any payment and may charge you any costs we incur in trying to rectify the position. If any payment fails to reach the intended recipient because of clear error on our part, we will return your account to the position it would have been in before the payment was made.
- 3.5. Where you have agreed that another person can take a payment out of your account (for example if you have given your debit card details to a third party in the EEA for the purpose of making a payment), you can ask us to refund a payment if all the conditions set out below are satisfied. We may ask you to provide information which is reasonably necessary to investigate whether or not you are entitled to the refund. In addition, you may also find it helpful to contact the person who took the payment from you. We will refund you the payment within 10 Business Days of receiving your request, or of receiving any further information we have requested, or we will inform you of our reasons for refusing the refund. The conditions are:
- 3.5.1. the authentication you gave did not specify the exact amount to be paid;
 - 3.5.2. the amount that has been requested was more than you could reasonably have expected to pay, based on the circumstances, including your previous spending patterns; and
 - 3.5.3. you make the refund request within 8 weeks of the date when the payment was made from your account.
- 3.6. If you have instructed us to make payments requested by third parties under the UK direct debit scheme, we will provide refunds for any error made in accordance with the terms of the direct debit guarantee (set out on the direct debit form or direct debit confirmation).
- 3.7. If you have agreed that another person can take a payment out of your account, and the payment fails to reach the other person, we will immediately refund and return your account to the position it would have been in if the payment had not been made, provided that other person's bank can show that it is not liable for the failed payment. We will not refund you or repay you if we can show that the recipient's bank received the payment and the recipient's details on time, as it is the recipient bank's responsibility to credit the recipient's account on time. In the event that we did not make the payment or made it late due to abnormal or unforeseeable circumstances beyond our control or to comply with any relevant law, in these circumstances we will not be liable to repay you.
- 3.8. Your rights under **Conditions 3.1 to 3.7** to obtain a refund for incorrectly executed payments will only apply where your payer or payee's account, as applicable, is in the EEA.
- 3.9. If you tell us without undue delay and at least no later than 13 months after a payment is taken from your account, that a payment from your account was not authorised by you, provided that we do not have reasonable grounds to suspect fraudulent behaviour on your part, or you intentionally did not keep your payment device or security details safe then we will, as soon as practicable and in any event no later than the end of the Business Day following the day on which we became aware of the unauthorised payment, refund you the amount of the payment by returning your account to the position it would have been in if the unauthorised payment had not taken place. However, we will still refund you for any amounts taken after you have told us your payment device or security details have been lost, stolen or compromised. We will also refund you if the number we have given you to tell us your payment device is no longer operational and we have not updated you with a new number.
- 3.10. You can notify us of the loss, theft or unauthorised use of your Payment Instruments or your account, by calling us free of charge at +44 (0) 20 7920 6100.
- 3.11. You will be liable for:
- 3.11.1. all payments made from your account where you have acted fraudulently; and

- 3.11.2. all payments you authorised
- 3.11.3. all payments effected through your card by someone else, with your agreement
- 3.11.4. all payments on your account(s) that take place before you inform us that a Payment Instrument has been lost or any of your security information has become known to someone else, if the payment was made because you deliberately or very carelessly failed to keep your Payment Instrument safe or your secret information secret. After you have informed us, you will not have any further liability for unauthorised payments, unless **Condition 3.11 (3.11.1)** applies, save that, unless you acted fraudulently (in which case you are always liable under **Condition 3.11 (3.11.1)**, you are not liable for any losses resulting from an unauthorised payment:
- 3.11.4.1. if you could not notify us because we failed to provide you with the means to notify us of the loss or unauthorised use of a Payment Instrument;
- 3.11.4.2. if we fail to apply strong customer authentication, where this is required by regulation; or
- 3.11.4.3. which is made to buy something online or at a distance.
- 3.12. We will not be liable to you for any losses you suffer or costs you incur because:
- 3.12.1. we do not act on an instruction for any reason specified in this agreement;
- 3.12.2. the details contained in the instruction were not correct; or
- 3.12.3. we cannot carry out our responsibilities under this agreement as a result of anything that we cannot reasonably control. This may include, among other things, any machine, electronic device, hardware or software failing to work or being down for a period, industrial disputes and complete or partial closure of any payment system.
- 3.13. Subject to **Conditions 3.1 to 3.11** (inclusive) or if a different level of liability is imposed by law, we will be liable to you for only direct loss of profit in the case of a Small Business Customer and Small Charity Customer, in the case of a Large Corporate Business Customer, we will be liable for only costs and not direct loss of profit caused to you as a result of any failure or delay in carrying out your payment instruction (however caused). For avoidance of doubt, we will not be liable to you in any circumstance for:
- 3.13.1. loss of business, loss of goodwill, loss of opportunity, loss of profit; or
- 3.13.2. any loss to you that we could not reasonably have anticipated when you gave us an instruction under this agreement.
- 3.14. Nothing in this agreement will exclude or limit any liability to you that cannot lawfully be excluded..
- 3.15. If you break any of the terms, we shall be entitled to claim from you any losses or costs that we incur as a result of your breach. These include, but are not limited to, the costs of tracing you, notifying you of the breach, communicating with you about the breach and enforcing payment of any amount due to us. Our entitlement to claim such losses from you is in addition to our entitlement to recover from you any monies that you already owe us (such as any fees for our services that you have not paid).
- 3.16. You agree to protect us against loss if a claim is made against us, or a claim we make is defended, because of:
- 3.16.1. (subject to **Condition 3.1** above) something you have done (which you should not have done) or failed to do (which you were supposed to do) in connection with the products or services we provide to you; or
- 3.16.2. you breaking this agreement.
- 3.17. This means that you are promising to pay us an amount which represents a reasonable assessment of our losses, liabilities, costs and payments (which would not have arisen otherwise) resulting directly from any claim or defence or from you breaking this agreement. This includes the reasonable costs incurred by us in investigating and managing the matter as well as our reasonable legal costs.
- 3.18. The protection which you give us above will not apply if we deliberately or negligently caused the loss, liability or damage or as far as the protection is not consistent with relevant laws or regulations.
- 3.19. If we receive notice of a court order or a court judgement against you, (or if you have a joint account, any other account holder), we may refuse to allow withdrawals or transfers from your account until the legal process comes to

an end. Any court order or court judgment will not prevent us from using any right of set-off we may have (using money which we hold for you, or which is due to you, to pay debts you owe us) or enforcing any other “security interest” (a right over something which we can take if debts are not paid). You are responsible for an amount which represents a reasonable assessment of any losses, costs or expenses we have as a direct result of any dispute or legal actions with yourself or someone else involving your account (including, without limitation, where we require legal advice because we are or may become concerned or involved in a dispute by reason of our relationship with you).

Claims on Your Account

3.20. If another person makes a claim for any of the funds in your account (for example, if someone takes legal action to recover funds they believe belong to them), or if we know or believe that there is a dispute involving someone else who owns or controls funds in the account, we may:

- 3.20.1. co-operate with that person’s bank in its efforts to recover the funds;
- 3.20.2. put a hold on your account and refuse to pay out any funds until we are satisfied that the dispute has ended;
- 3.20.3. send the funds to the person who we have good reason to believe is legally entitled to them;
- 3.20.4. continue to rely on the current records we hold about you;
- 3.20.5. apply for a court order;
- 3.20.6. provided we are unable to return the funds to the other person, share with that person’s bank all the relevant information for the collection of funds, including information about you, your account and the payment; or
- 3.20.7. take any other action we feel is necessary to protect us.

3.21. If we have acted reasonably, we will not be liable to you for taking any of the above steps.

4. Authorising another person to operate your account

4.1. You can authorise another person to operate your account. If you wish to do so, we will ask you to provide a resolution, complete a revised mandate and specimen signature. We will require the other person to go through certain identification and verification procedures before we allow them to operate your account.

4.2. If you authorise another person to give instructions on your accounts or operate them for you (for example any officers or other authorised signatories), we will deal with that person as if he or she were you for the purpose of this agreement. This means that the checks we carry out to make sure that instructions are genuine will be checks relating to that individual only and, where relevant, will require the use of Payment Instruments that are personal to him or her (and references to carrying out checks about you will include carrying out checks about that person).

4.3. The authorised person must comply with your obligations under this agreement as if they were you.

4.4. You acknowledge that if the account holder is a Partnership, trust or unincorporated association, unless the authority given by you to us states otherwise, any one partner, Trustee or member of the unincorporated association acting alone can withdraw the entire balance on the account.

4.5. If the account holder is a Partnership, trust, or unincorporated association, each partner, Trustee and each member of the unincorporated association is jointly and severally liable for any sums owed to us on the account. This means that each of these persons is together responsible and each is also responsible individually to us for all these sums.

Third Party Providers

4.6. You may ask Third Party Providers to access your payment accounts or make payments from your accounts provided it has identified itself to us and acted in accordance with applicable regulatory requirements. We will treat any instruction from a Third Party Provider as if it was from you.

4.7. We reserve the right to deny a Third Party Provider access to your payment account(s) if we harbour any suspicion of unauthorised or fraudulent access to the payment account by that Third Party Provider, including the unauthorised or fraudulent initiation of a payment transaction. Such suspicion does not have to be reasonably justified.

4.8. If we deny a Third Party Provider access to your payment account in accordance with **Condition 4.6** above, we will notify you via the Digital Banking Service of our decision and of the reasons for our decision, unless that notification is unlawful or could compromise the security of your account.

4.9. You must not give personal security details to a third party that is not authorised. It is your obligation to check and ensure that any third party you use is authorised to access your account.

5. Overdrafts

5.1. This agreement deals with borrowing through an overdraft. Additional Terms and Conditions apply to borrowings by other means such as a loan. The form of borrowing and any security required will be agreed between you and us.

5.2. Overdrafts are only permitted on current accounts and, subject to **Condition 5.7**, must be agreed with us in advance. Before we agree to an overdraft or increase your overdraft, we will assess whether we feel you will be able to repay it. We will ask you for information that you need to provide before we can consider any borrowing facility, such as your income and any statements relating to your financial affairs; a business plan and cash flow; the business's existing financial commitment; how you have handled your finances in the past; any security that you have provided; and why you want to borrow the money and for how long.

5.3. You are responsible for any money you owe us, whether this arises from your own actions or from the actions of someone authorised by you.

5.4. You should always remain within any agreed overdraft facility unless you first obtain our agreement to increase it. We will usually give you 30 days notice of our intention to change your overdraft limit, however, we reserve the right to change your overdraft limit at any time.

5.5. We may cancel any standing orders or direct debits from your account if your account becomes overdrawn. We may advise you of this decision and you must apply in writing if you wish the payments to be reinstated once you have funds in your account.

5.6. Charges may apply for agreeing any overdraft facility, increasing any existing overdraft facility or if you overdraw the account without prior agreement.

5.7. If you do not contact us in advance before becoming overdrawn, we have the option of either refusing to honour a commitment you have entered into or establishing an unarranged temporary overdraft which would be subject to our unarranged overdraft arrangement fee and interest as set out in our Standard Tariff. Irrespective of **Condition 5.14**, we reserve the right to cancel any overdraft at any time and will not be liable for any costs, damages or losses that result as a consequence of our decision not to extend an overdraft and/or to cancel any overdraft that has been extended.

5.8. When borrowing is agreed, the interest rate and all other fees and charges payable will be shown in a letter to you that sets out the terms and conditions of the facility. We may request a personal guarantee to cover your overdraft facility.

5.9. When we have agreed to make an overdraft available to you and you do not use it, a non-utilisation fee may be due.

5.10. Unless we have agreed other terms with you in writing, overdrafts will always be repayable on demand. If we can do so without negatively impacting our interests, we will give you 30 days' notice before demanding repayment or reducing your limit.

5.11. We shall be entitled to assume that you have cancelled your overdraft if you pay sufficient sums into your account to cover it, subject to express agreement to the contrary between us (including an agreement as to the term of the overdraft when it was first taken out). If you subsequently become overdrawn after the agreed term of the original overdraft, you will incur further charges as if a new overdraft were being arranged.

5.12. You will have to pay all costs and fees incurred or charged by us in connection with the negotiation, preparation, investigation, administration, supervision or enforcement of your borrowing. These will include expenses, fees (e.g. legal, security and valuation fees), stamp duty, taxes and other charges. These costs and fees will be debited to your account.

6. Responsibility for borrowing

6.1 If you are a Sole Trader, you are personally responsible for any monies your business owes us.

6.2. As well as the account holders being jointly liable for monies to us, each partner, Personal Representative or Trustee is individually liable for any such monies, even if he or she has subsequently ceased to be a partner, Personal Representative or Trustee, unless we have agreed otherwise in writing. We have the right to demand repayment from all or any account holders for all or part of such monies.

6.3. The directors, shareholders, officials' and signatories of a corporate body are not normally liable for monies owed to us by the corporate body, unless personal guarantees have been given as part of the borrowing arrangements.

7. Set-Off

7.1. If any accounts you hold with us are in credit, we may use them to repay any amounts you owe us, including, but not limited to, sums due on any other accounts you hold with us in the same name(s), even if the accounts are in different currencies.

7.2. Where any of you also has an account with us in your sole name, or jointly with someone else, and that

account has a credit balance, we can set-off these monies against any money owing to us in relation to a business account held under this agreement even if the accounts are in different currencies.

8. Bank charges

8.1. We will provide you with the current version of our Standard Tariff when you become a customer and it is also available at any time from the Website or on request from our staff.

8.4. We may take any charges or interest you owe us from any account you hold with us.

8.5. We may vary these charges from time to time in accordance with **Condition 23**.

9. Interest

9.1. We will provide you with information on the interest rates applicable to your account when you become a customer and whenever you request it.

9.2. Current rates are applicable on the Website and at our office(s). You can also contact us by telephone for further information.

9.3. You will receive interest from us, if any is receivable, and pay interest to us at the rate applicable to your account and in accordance with the Terms and Conditions of the particular product that you have chosen.

9.4. From 6 April 2016, we no longer deduct tax from your savings interest. However, you may still be liable to UK tax if you are a UK resident and we recommend you speak to your accountant.

9.5. Interest on sterling accounts will be calculated on a daily basis on the cleared balance on your account,

on the basis that there are 365 days in a year. Interest calculated on this basis will be payable in respect of each of the 365 days in a calendar year (366 days in a leap year).

- 9.6. In the case of most foreign currencies, whilst interest will still be calculated on a daily basis on the cleared balance on your account, by convention, it is both quoted and calculated on the basis that there are 360 days in a year. Interest calculated on this basis will be payable in respect of each of the 365 days in a calendar year (366 days in leap year). Deposits made after 29 February will receive less interest than they would in a non-leap year.
- 9.7. Debit interest will be debited from your account on the last Business Day of each month relating to the previous calendar monthly charging period. Notification of these charges will be issued at least 14 days before the debit is passed to your account.
- 9.8. If you receive gross interest on any account, you must tell us immediately in writing if you are no longer eligible for gross interest.

10. Timings of payments in and out of your account

- 10.1. We will generally only process payments in and out of your account (a) on a Business Day; and (b) if we receive the payment or your instructions before the “cut-off” time.
- 10.2. The cut-off time is generally:
- 10.2.1. 3pm (GMT) for payments out of your account; and
 - 10.2.2. 4pm (GMT) for payments into your account.

We will tell you if a different cut-off time applies. If we receive a payment or instruction after a cut-off time or on a non-Business Day, we will treat that payment or instruction as being received on the next Business Day.

- 10.3. If you ask us to make a payment or act upon an instruction on a future date, we will make the payment or act upon the instruction on that date. If the future date falls on a non-Business Day, we will make the payment or act upon the instruction on the next Business Day.
- 10.4. If a payment is in euros (€), or if it is in sterling and the other person's bank is in the United Kingdom, we will ensure that the amount of the payment is

credited to your payee's account by the end of the Business Day following the Business Day on which we receive your payment instruction.

- 10.5. Where a payment does not fall within **Condition 10.4** but is to take place entirely within the EEA, we will ensure that the amount of the payment is credited to your payee's bank account at the latest by the end of the fourth Business Day following the Business Day on which we receive your payment instruction.
- 10.6. Where a payment is made to an account outside the EEA, **Condition 10.4** will not apply. The time it takes for the payment to be credited to the bank account of the person you are paying to will vary depending on the currency or country you are sending the payment to (or both). You can ask us to tell you when we expect your payee's payment service provider to receive the payment.

11. Payments into your account

General Conditions

- 11.1. We may request information and documentary evidence regarding the source of any deposit made into the account, to meet our obligations under money laundering, fraud, terrorist activity or other regulations (in which case we may not be able to tell you the real reason for the delay) in processing payments into your account. Further checks may be necessary, which may involve contacting you to seek further clarification including those relating to the nature and purpose(s) of the payment. You are advised to provide us with documentary evidence of any deposit which has not been pre-advised to us as being in accordance with the usual activity on your account.
- 11.2. If you maintain more than one account with us and you deposit funds without indicating to which account they should be credited, we will credit them to whichever of your accounts we think appropriate.
- 11.3. We will accept, for payment into your account, cheques or other items that are payable as follows:
- 11.3.1. **Company:** to the company or its trading name;
 - 11.3.2. **Public body:** to the public body;
 - 11.3.3. **Sole trader:** to you or to your trading name;
 - 11.3.4. **Partnership:** to any or all partners or your trading name;

11.3.5. **Clubs/Association:** to the club or association.

Cash Payments Into Your Account

11.4. We will only accept cash for payment to your account during normal business hours at our London office. Under no circumstances should cash be sent to us through post. We reserve the right to refuse to accept large deposits of cash or to apply charges to large deposits in accordance with our Standard Tariff.

11.5. If you deposit large cash, you will normally be required to complete and sign a form detailing the source of such cash and we may, in our absolute discretion, require you to provide documentary evidence of that source. We may refuse to accept a cash deposit of any amount until you can produce either a reasonable explanation of the source of the cash or produce satisfactory documentary evidence to explain the source (or both). If we do not accept a cash deposit, we do not have to explain why.

11.6. If cash of one currency is paid into an account held in another currency, e.g. US\$ into a sterling account, we will convert the amount at our applicable rate of exchange on the day on which the cash is received. A commission charge may be deducted from the account into which the payment is being made.

11.7. Cash paid into an account in the same currency as that account will be immediately available to you and where interest is payable on that account, we will pay interest from that day. These timings may be extended by an extra Business Day if cash is paid into an account which is denominated differently from the cash paid in and the denomination of the cash or the account is not sterling, euros or another currency of another member state of the EEA.

Cheque Payments Into Your Account

11.8. Unless we tell you otherwise, cheques can only be paid into a current account. You can do this at our London office during business hours or by sending it to us by post. We will only start to process transfers to other accounts when any cheque paid in has cleared.

11.9. Cheques paid in after 3pm (London time) will not be processed until the following Business Day, when the timings set out below will commence.

11.10. You may only pay in cheques made payable to you. Cheques will be deemed out of date after 6 months. In the event a cheque is deemed to be out of date, we may opt to return the outdated cheque to you.

11.11. When you pay a sterling cheque, drawn on a UK bank, into your account, a period of at least 4 Business Days after the day it has been paid in should be allowed before the proceeds can be withdrawn. After these 4 Business Days, it is still possible that the bank on which a cheque is drawn may later return that cheque unpaid. If the cheque is later returned unpaid, we will deduct the amount from your account, whether or not it goes overdrawn even if we allowed you to make a payment or to take cash against that item. You will incur charges and interest on any overdrawn amount in accordance with our Standard Tariff. Because of this, we may ask you to wait until we are sure that a cheque has been paid before you are able to draw against it. We would not normally allow you to draw against a cheque until it has been paid unless we have agreed a facility with you to that effect. If you have been fraudulent, we can recover funds at any time. We owe you no obligation to re-present cheques where these have been returned unpaid by the bank of the person who wrote the cheque.

11.12. We may ask for further details before we agree to accept a cheque. In all cases, we will have recourse to you if someone else later claims that the proceeds of the cheque were theirs. If a cheque or other item is marked "Not transferable" or "Account Payee", we can only accept it for the person to whom it is payable.

11.13. We also reserve the right to debit your account with any charges incurred in connection with the collection of the cheque, including charges and costs deducted by agents and the drawee bank if the cheque is unpaid.

11.14. In all cases, we will advise you of any cheques that have been returned unpaid. Debiting the amount of an unpaid cheque to your account may also result in your account becoming overdrawn or an increase in your existing overdraft and you could pay interest and fees for an unarranged temporary overdraft.

Foreign Cheques

11.15. Clearance of cheques payable in foreign currency and abroad will take longer and the above timescale will not apply.

11.16. If we agree to negotiate a foreign cheque, we will add the full amount or the converted amount to your account immediately. However, if the cheque is returned unpaid, we will have "recourse" against you (as well as anyone who has signed or endorsed

it) and we will be entitled to deduct from your account either the amount that we originally added to your account or the amount reconverted at the exchange rate applicable on the date we make the deduction. This means that if the exchange rate has changed, the amount we deduct could be greater than the amount we originally added.

11.17. If we agree to send a foreign cheque for collection, we will add the amount to your account only when we have received the money from the bank on which it is drawn. The collection proceeds that you receive will be net of the drawee bank's charges and the amount of the proceeds will be shown on your next bank statement. The collection and negotiation of cheques shall be subject to the International Chamber of Commerce Uniform Rules for Collection that applies at the time.

Payments Into Your Account Other Than Cash and Cheques

11.18. Payments into your account may be made electronically, either domestically or from overseas. We will credit these payments and other payments (such as funds sent from overseas and received electronically) to your account as soon as we receive them (subject to the restrictions outlined in **Condition 10**) and the funds will be immediately available to you. We will also pay interest from that day (where applicable). Should you deposit money using incorrect payment details, we may pay it into whichever of your accounts we think appropriate.

12. Payments From your Account

General Conditions

12.1. We will accept instructions from you in the following circumstances:

12.1.1. upon receipt of written instructions from you which bear an original signature (this includes instructions received by fax or email attachment where we hold a telephone, fax and email attachment indemnity signed by you);

12.1.2. in person, provided you have satisfied our identification and verification procedures;

12.1.3. by telephone, as long as you have followed our security procedures. We will ask you to confirm telephone instructions in writing; or

12.1.4. via the Digital Banking Service, if you have registered for it.

12.2. We will (unless instructed otherwise) accept instructions authorizing account withdrawals or other action on the account signed by any person or persons as authorised on the mandate form and in accordance with **Condition 4**.

12.3. You may make transfers between any of your accounts with us by giving us your instruction at our premises, in writing or via the Digital Banking Service. **Condition 10** will apply to these instructions.

12.4. As long as we have followed your instructions correctly, we can deduct the amount of any payment from your account. We may rely on any information quoted in an instruction as being correct.

12.5. We may apply financial and other limits to instructions received by telephone or through the Digital Banking Service from time to time.

12.6. We do, however, reserve the right to take any additional security procedures that we believe are appropriate.

12.7. We can refuse to act upon any instruction if:

12.7.1. we have a good reason for thinking that you did not give us the instruction;

12.7.2. the instruction is not clear or is incomplete;

12.7.3. we believe that by carrying out the instruction, we might break a law, regulation, code or other duty which applies to us; in which case you may not be informed that we are refusing payment if the law prevents us from disclosing this to you

12.7.4. we reasonably believe that carrying out the instruction may damage our reputation; or

12.7.5. we receive your instruction for a funds transfer after the appropriate cut-off time, in which case the instruction will be processed the following Business Day.

12.7.6. It exceeds any transactional limits that we apply or you have exceeded your maximum daily withdrawal limits that apply to your account or it is requested using an unarranged overdraft service.

Where possible, we will inform you prior to any such refusal to act upon one of your instructions. Otherwise, we will tell you at the earliest opportunity

but, in any event, within 3 Business Days from receiving your instruction if we refuse to make a payment and we may charge you a fee for this notification as set out in our Standard Tariff.

12.8. We can also refuse to make any payment if you do not have enough money in the account at the close of Business Day before the payment is due to be made. In deciding whether you have enough money, we take account of any overdraft limit, any cheques we are treating as cleared and any instructions to make payments and regular payments which have not yet been paid from your account. We will tell you if you can make payments from your account against cheques which are not cleared. We are not obliged to take into consideration funds held on other accounts in your name. We do not have to take account of regular credits or any amounts received after we have decided not to make the payment.

12.9. We may, however, without reference to you, transfer funds from any other account held in your name(s) or any other account in which you are named as a party in order to effect a payment, although we are not obliged to do so. This may involve a foreign exchange transaction for which we will not be responsible for any loss incurred by you as a result of exchange rate movements.

12.10. Any such foreign exchange transaction will be effected at our applicable exchange rate on that day and we will deduct any appropriate charges. Details of the exchange rate and the charges which will apply to the transaction will be provided to you.

12.11. You may instruct us to stop the payment of a cheque, standing order, direct debit or other item other than a cash transaction (there may be a charge for this service which is quoted in our Standard Tariff), as long as:

12.11.1. the item has not yet been deducted from your account; and

12.11.2. we have not issued an electronic payment instruction or told the beneficiary or their bank that we will pay the item.

12.12. Any advice to stop a cheque or cancel a payment must be accompanied by the following details:

12.12.1. **Cheque:** cheque number, account number, amount, name of payee and date;

12.12.2. **Standing Order:** name of beneficiary, amount, frequency where appropriate and date; name of originator, amount, frequency where appropriate and date; and;

12.12.3. **Payments:** name of beneficiary, amount and date of original payment.

12.13. Payment instructions given to us in advance, including Standing Order and Direct Debit payment instructions, can only be cancelled or amended up to the end of Business Day before the date the payment is due to be made. Please ensure therefore that we receive sufficient notice of the cancellation or amendment. Direct debits can be cancelled by either telling the person/organisation that collects the direct debit from the account or by telling us. We recommend that you advise both. We may charge you for this cancellation.

12.14. We may also need to delay carrying out instructions to meet our obligations under regulations to tackle money laundering, fraud, terrorist activity or other regulations (in which case we may not be able to tell you the real reason for the delay). Further checks may be necessary, including those relating to the nature and purpose(s) of the payment from your account and which may involve contacting you, if you request us to make a transfer to a country which we consider to be high risk.

12.15. We will not be responsible to you or any other party for loss, including, without limitation, consequential loss, resulting from any delay as long as we have acted reasonably and you agree to hold us harmless against all losses, costs, obligations and responsibilities we incur as a result of acting for you or in respect of any failure by another paying bank to act on our instructions.

12.16. Note that information and documentary evidence regarding the nature of any transaction on the account may be requested. The full name and address of any beneficiary on an electronic payment must be provided as well as full details of the beneficiary's bank account (the name of the bank and the Bank Identification Code (BIC) and the beneficiary's International Bank Account Number (IBAN)). You must also state the reason for the transfer. We will also quote your own name, address and account number on the payment which is a statutory requirement. Where the required information provided by you is incorrect, we will make reasonable efforts to recover the funds and may charge you for the reasonable cost of recovery.

12.17. In the event that a resolution is passed for your winding up, or a petition for a bankruptcy order is presented against you or any significant

shareholder of the Company and, in the case of a trust, including any material beneficiary, you agree that we may refuse to act on any instructions whenever given by you or any other party to make any payment(s) out of any of your account(s) or to carry out any dispositions or transfers of any of your property or assets of any kind unless you have previously obtained an appropriate validation order from the court and setup a separate account or accounts in your name to which any of your future receipts may be credited.

- 12.18. Your account and the transactions passing through it may be affected by a court order, such as a bankruptcy order, freezing order or injunction order. If so, the balance may change and transactions may not be processed or may be reversed.
- 12.19. If you are a corporate body, partnership, limited liability, partnership, unincorporated association, charity, pension fund or trust, you irrevocably confirm that any payment instruction you or any other person gives, is permissible and properly authorised under your Articles of Association, partnership deed, trust deed or any other agreement or document governing the constitution of your organisation.
- 12.20. You must ensure that you give us accurate payment details / instructions as we will not be responsible for any payment made when you gave us inaccurate / wrong payment instructions.

Withdrawing Cash From Your Account

- 12.21. Withdrawals by cash can be made during normal business hours at our London office. Charges apply for certain cash withdrawals as stated in our Standard Tariff. For large cash withdrawals, we may, at our absolute discretion, require that you complete and sign a form detailing the reason for the withdrawal and require that you produce documentary evidence to support the withdrawal. You must provide us with at least one day's notice of foreign currency cash withdrawal of more than \$10,000 (or equivalent).

Cheque Payments From Your Account

- 12.22. When you issue a cheque on your account, the amount will normally be deducted from your account 2 Business Days after the recipient pays it into their UK account (e.g. if it is paid into the recipient's account with a bank located in the UK on Monday, your FIDBANK account will normally

be debited 2 days later, on Wednesday). Note however that if the payee requests for the cheque to be "specially presented", the cheque may be debited sooner.

- 12.23. When writing a cheque, you must take all reasonable precautions to prevent anyone else from altering it or making a forgery. For example, if you are paying a cheque to a large organisation such as HM Revenue & Customs, do not make the cheque payable simply to that organisation. Add further details into the payee line (for example, HM Revenue & Customs re: J Jones, your reference, as required by that organization, which may for example, include your unique tax payer reference or any other reference). You should draw a line through any space you don't use on the cheque so unauthorised people cannot add extra number or names.
- 12.24. If you are making a cheque payable to a bank or a building society, do not make the cheque payable simply to that organisation. Add further details in the payee line (for example, XYZ Bank, re: J Jones, account no xxxxxx). You should draw a line through any space you don't use on the cheque so unauthorised people cannot add extra numbers or names. Your cheque is likely to be returned to you if you make it payable simply to a bank or building society. The more details about the true payee and the fewer the empty spaces on the cheque, the less likely it is that it can be tampered with and used fraudulently.
- 12.25. You should not write a future date on any cheque that you issue as it may prevent the payee from paying it into their bank account before the date. Cheques that are issued in this way and received by us for payment will be returned unpaid without reference to you. However, we will not be liable for any loss to you as a result of us paying a cheque before the date you have put on it.
- 12.26. Cheques normally become out of date after 6 months and therefore you should request the payee to pay them in so that they clear in time. We may pay a cheque drawn by you even if it is not presented to us for payment within 6 months of the date on the cheque. We reserve the right to return unpaid any such cheque but you must give us instructions to stop payment of the original cheque if you issue a duplicate.
- 12.27. We are not obliged to advise you if any of the cheques that you have issued are returned unpaid but may decide to do so. Any advice will be sent to you either by letter or in another private and confidential manner.

- 12.28. Cheque books are issued upon request. The care of your cheque book is essential to help prevent fraud and protect your accounts. You agree to keep the book safe at all times and to allow no unauthorised use of the book. You must not issue a cheque if you do not have sufficient funds on your account to cover the amount of the cheque.
- 12.29. You must always take proper care of your cheque book. There is important information about the security of your cheque book and writing cheques inside the front cover of your cheque book. Please read these notes.
- 12.30. Cheque books remain our property at all times. They must be returned on account closure or if we ask for their return because we have a reason for doing so (e.g. if you are in breach of this or any contract between us).
- 12.31. If you lose your cheque book, it is essential that you tell us as soon as you can. The best way to advise us about the loss is by stopping the cheque via the phone, fax (using the numbers that we have given you), email attachment (by email to customerservices@fidbank.uk) or letter.
- 12.32. We will keep original cheques issued by you and paid from your account for at least 6 years unless we have already returned these to you. At your request, we will return original cheques to you but only against your signed indemnity.
- 12.33. If you want to stop the payment of a cheque or other item such as a banker's draft, you should tell us.
- 12.36. If we have to make an international payment through another bank, we may give you an indication of the date on which the payment should be received by the bank, details of any commissions or charges and the exchange rate applicable, whenever such information is requested by you.
- 12.37. Automated payments such as standing orders and direct debits are debited from your account at the beginning of the business day on which they are due. Deposits paid into your account on the day an automated payment is expected to be made may not necessarily be available to meet that withdrawal.
- 12.38. If you wish to setup a standing order to pay money from your account you must provide us with the following information:
- 12.38.1. The name of the beneficiary;
 - 12.38.2. the name of the beneficiary's bank, sort code or swift code, and account number;
 - 12.38.3. the frequency of the payments;
 - 12.38.4. the date of the first payment;
 - 12.38.5. the date of the final payment; and
 - 12.38.6. purpose of payment

Payments From Your Account Other Than Cash And Cheques

- 12.34. Internal, domestic and international payments will be processed using the appropriate payments system. Where you give an instruction to us to make an automated payment, the money will normally be taken from your account on the same day (subject to the restrictions outlined in Condition 10). The beneficiary would normally receive funds within 3 Business Days but this may be sooner depending on the banking practice of the country concerned and the payment system involved.
- 12.35. International payments are sent through another paying bank, either chosen by us or by a bank in the country the payment is being sent to and/or the country whose national currency is being sent.
- 13.1. We will make statements available to you via the Digital Banking Service at least once a month. We will also provide you with a statement on paper or any other durable medium each month. Where you have instructed us to hold your statements and advices, we will always provide a statement to you annually (April). This will be sent to the last known recorded address that we hold and will contain details of all transactions through the account since the previous statement issued to you. There is a charge for holding your statements and advices in accordance with our Standard Tariff.
- 13.2. There may be a charge if you ask us to make statements available more frequently than monthly.
- 13.3. Even if the account has not been used for some time, we will continue to send out statements unless previous statements have been returned. Please check carefully all transactions on the statement(s) and advise us as soon as possible of any discrepancies without undue delay but in any event, not later than 13 months after the date of any

13. Statements

discrepant transaction. If we need to investigate a transaction on your account, you should cooperate with us and the police, if we need to involve them. We may disclose information about you or your account to the police or other third parties if we think it will help us prevent or recover losses.

13.4. Your statement balance will show credits when we receive them even if they include cheques and other items which are not “cleared” and we may refuse to allow you to draw against these items.

13.5. If you do not receive a statement on your account that you would normally expect to receive, please let us know as soon as you can.

13.6. We will accept instructions from you not to forward any statements or advices to you. Where you have instructed us to hold your statements and advices, we will always provide a statement to you annually (April). This will be sent to the last known recorded address that we hold and will contain details of all transactions through the account since the previous statement issued to you. There is a charge for holding your statements and advices in accordance with our Standard Tariff.

14. Closing Your Account

14.1. This agreement will continue until you or we cancel or end it.

14.2. We may at our discretion, and without giving a reason, close your account and end this agreement. We will give you not less than 90 days’ written notice in accordance with **Condition 24** below to close an account unless we consider there are exceptional circumstances as set out in **Condition 14.3** below.

14.3. We may take action to close your account and to end this agreement immediately in exceptional circumstances such as (and without limitation) if we reasonably believe that:

14.3.1. you are not eligible for an account;

14.3.2. you have given us any false information at any time;

14.3.3. you, or someone else, are using the account illegally or for criminal activity;

14.3.4. it is inappropriate for a person authorised to give instructions on your account to operate it;

14.3.5. your behaviour means that it is inappropriate

for us to maintain your account; this may include acting abusively, offensively or violently towards our staff,

14.3.6. you have not met our reasonable conditions and requests relating to identification and the provision of information about yourself and the activity (past, present or future) on any account or proposed account;

14.3.7. by maintaining your account, we might break a law, regulation, code or other duty which applies to us;

14.3.8. you cannot pay your debts (to us or any other person), or any formal action is taken against you to initiate administration, insolvency or bankruptcy proceedings, or you take any action (including entering negotiations) with a view to readjusting, rescheduling, forgiving or deferring any part of your debts;

14.3.9. by maintaining your account, we may damage our reputation; or

14.3.10. you are or have been in serious or persistent breach of these Terms and Conditions or any additional conditions which apply to an account.

14.4. As noted in **Condition 14.2** above, we will normally give you not less than 60 days’ written notice to close the account and to end this agreement unless there are exceptional circumstances (including those set out in **Condition 14.3** above) that justify closure immediately or on shorter notice. Unless we receive written instructions from you to the contrary, we will remit the balance of the account (less any interest and charges that may be due to us) to the last recorded address held with us.

14.5. We may choose not to close your account and to end this agreement until you have returned any unused cheques. You must repay any money you owe us, including the amount of any cheques, other payment instructions you have made and any service charges due, which have not been taken out of your account. These conditions will continue to apply until the account is closed.

14.6. When your account is closed, it is your responsibility to cancel any direct payments to or from your account. Where someone attempts to make a payment into an account which has been closed, we will take reasonable steps to return the payment to the sender.

14.7. If you owe us money on any account when or after

we close it, and you hold another account with us that has money in it, we may use the money from that account to pay us all or part of the amount you owe us on the account that we have closed. If we do this, we will tell you about it.

14.8. We will accept an instruction in accordance with the signature mandate to close your account although we reserve the right to obtain more than one signature, even if the signature mandate requires only one, before we act on any instruction for the disposal of the funds in the account.

14.9. If you no longer require the account and wish to end this agreement, please tell us in writing to our London office address provide towards the end of these Terms and Conditions and return any unused cheques to us.

14.10. If you are not happy about your choice of account, you may cancel it within 14 days from the date you entered into the contract or the day on which you first receive a copy of these Terms and Conditions, whichever is later. We will help you switch to another account or give you all your money back with any interest it has earned. We will ignore any notice period and any extra charges. This cancellation right does not apply to a fixed rate account and any interest due to any overdraft will be payable by you. If you wish to exercise this option, then please write to us at our London office address provided towards the end of these Terms and Conditions. Should you not wish to exercise this option, you will be bound by these Terms and Conditions after the expiration of the aforesaid 14 days. To exercise your option to cancel, you must dispatch written notification to us at our London address before the cancellation period expires. We will return any funds due to you less any amount owed to us within 30 days from the day on which we receive your notification of cancellation.

14.11. If no funds are due to be returned to you but you owe us money, you agree to pay us any sums due within 30 days from the day on which we receive your notification of cancellation.

14.12. Before any funds are returned to you, any identification requirements as described in our document "Identification Requirement for Opening of a Personal or Joint Account with FidBank UK Limited" may still need to be satisfied. Any funds returned must be remitted either to the account from which they were sent or to an account held in your name(s). No other third party remittances will be permitted.

14.13. We will not close your account, or threaten to do so, merely as a result of a complaint received from you, however, do note that we may also elect to close your account or suspend your account if it has been inactive for sometime in accordance with **Condition 15** below.

15. Inactive and Legally Dormant Accounts

15.1. We consider that an account is inactive if no activity (other than interest and charges) has taken place on it for a continuous period of 24 months. We consider that an account is legally dormant if no activity (other than interest and charges) has taken place on it for a continuous period of 15 years.

15.2. When an account becomes inactive, we may write to you to ascertain if the account is still required and to obtain written confirmation from you of your mailing address. If we receive no response from you, for security reasons, we may close the account and hold the funds in an internal account pending instructions from you.

15.3. Even if we close the account, the funds will always be your property, or if you do die, the funds will form part of your estate. This is the case no matter how many years pass. If you wish, you can apply to re-open the account. We will request identification procedures and appropriate paperwork to be completed. Such an application will be considered at our own discretion.

To facilitate this, we

will supply your personal data to the credit reference agencies and they may provide us with information about you. Do note that a credit search may either be in the form of a quotation search, in which case, a soft footprint is left on your credit file, in such a case, this will have no effect on your credit score and other lenders will be unable to view this; the credit search may also be in the form of a hard footprint where you have agreed for Fidbank to proceed with your application for credit. The latter footprint will be viewable by other lenders and may be detrimental to your ability to obtain credit elsewhere.

Records remain on your credit file for 6 years after they are closed, whether settled by you or not. Any enquiry we make at a credit reference agency may be assessed with reference to any associated records.
